Student Online Registration Vendors

NEOnet
Prompt. Courteous. Knowledgeable.
Support *you* deserve.

NEOnet is your secure technology solution center, providing you with the most reliable, cost-effective programs and support you deserve. As such, NEOnet supports the ProgressBook Suite of products, including DASL, EMIS State Reporting, Gradebook, Parent Access, Special Services, Virtual Classroom, DataMap, DASLr and Vendorlink. The suite is used by more than 800 different entities across the state of Ohio, reaching more than a million students. We have partnered with vendors who are capable of or who are working on the ability to submit student data into DASL.
